MEMORANDUM FOR: Chief, Executive Development Staff

FROM:

Director of Training and Education

SUBJECT: Senior Executive Training

1. On 22 February, I attended a regular meeting of the Foreign Service Institute (FSI) Advisory Board. I have attached a copy of the agenda for that meeting and a list of the participants for your information.

2. One of the subjects discussed at the meeting was Senior Executive Training. As you will note by the agenda of the attached paper entitled "Senior Executive Training," FSI is faced with many of the problems that we have dealt with in recent weeks. I told Ambassador Joseph Twinam, the Dean of Professional Studies at FSI, that we would be happy to share our experiences with them as soon as our Core Course had concluded. Ambassador Twinam asked that we make our point of contact Dr. Morris J. Blachman who is the Academic Advisor to FSI. Dr. Blachman's card is attached to the paper on Senior Executive Training. Please take the initiative to establish contact with Dr. Blachman on this subject at an early date.
